▶ Must be registered to use the nighttime schedule ◀

1 AM to 3 AM ONLY

Daily

No watering is allowed on the 31st of any month

Emergency Restrictions will remain in effect through the 2024 watering season.

Water must not be allowed to flow or spray into the gutter or street in appreciable amounts while lawns are being watered. Watering with open-ended hoses (flooding) is also not allowed.

Hand watering of flower beds, gardens, trees, bushes and potted plants will still be allowed during the day for all homeowners. No hand watering of lawns is permitted.

THE ABOVE RESTRICTIONS WILL BE VIGOROUSLY ENFORCED. A first time violation of the above restrictions will immediately result in a written notice. Second violations will result in a written notice and a \$30.00 fine. Third violations will result in a written notice and a \$60.00 fine. Fourth violations will result in a written notice and a \$120.00 fine. Continued violations will be addressed by the Board. Nonpayment of fines will be assessed as past-due accounts and will result in water service being turned off following a written notice. A \$50.00 reconnect fee will be assessed, and service will be restored following full payment during normal business hours only at our Operator's convenience.

Please be aware that the Board of Directors reserves the right to police these restrictions to the fullest extent. This will include observations of people's sprinkler systems and yards at all times of the day and night.

If you have any questions or need additional information, please contact our manager at the number listed above.

Thank you,
Board of Directors
